He outlined 2 areas he had concerns and was following up.  
1 Soft plastic recycling (eg carrier bags, cling film) potential for a bin for this to be sited in the area for a cost of £8.50 per bin. A trial to take place at Trewern and Llandrinio waiting to see the result of that. All in agreement that if the trial is successful support and be willing to pay for a bin suggested at Llandrinio Village hall as that is where most residents would be likely to take other recycling  
2. Maerdy Bridge junction A483 issues around the junction and approach generally and specifically the road surface currently. Mr Edwards has approached the Trunk Road agency/Welsh Assembly to look at a filter lane, extra white lines and a reduced speed limit. Arddleen CC are keeping a note of incidents.
