- MATTERS ARISING**
- 077/2020** Bridlepath / Footway issue adjacent to Fir Tree P.H
Following complaints by several people regarding gates installed by a property in Bryn Mawr allowing vehicular access to the bridleway and footpath that ran to the rear of the property, this matter had been passed onto Powys for advice. Councillors were concerned as other than for agricultural purposes these paths and ways are not for vehicular traffic.
Resolution : - County Cllr Roberts explained to Councillors that she was still awaiting a response from Powys
- 078/2020** **Speed limit along Bryn Hafren**
Cty Cllr Roberts and Cllr T Davies raised the issue that a member of the Community was concerned by traffic speeds along Bryn Hafren as it is a residential area. Cty Cllr Roberts explained that the Advice from Powys Highways was that as the residential premises were only on one side of the road – the other being agricultural – this meant the road was outside the normal 30mph constraints associated with a built up area. Powys had agreed that once the schools returned and there was a greater flow of traffic they would put in measures to monitor speed and reassess the situation.

However the suggestion from Powys had been that if there was sufficient Community pressure then the Community Council could fund the re designation of the speed limit but this would likely cost in excess of £4000

Resolution : - Councillors agreed that this time the actual speed of traffic should be measured and the situation reviewed.

079/2020 Consideration of New Defibrillator

The Clerk explained that he had made contact with Welsh Hearts who supplied the equipment installed at the Western end of the Community and was enquiring as to replacement pads and battery life of that unit and a potential cost of installing a unit at the Eastern end of the Community, possibly in Coedway and would report back at the next Council meeting.

Complaint from member of the Public

A complaint had been received by the Clerk late that evening regarding a static caravan that had appeared on land above Bryn Hafren and the complainant was concerned that it may be used for residential purposes.

Resolution : - Enquiries to be made to establish purpose and intent and offer advice where appropriate or seek guidance from Powys if necessary.
